

Eco Daily Toilet Cleaner

Formulated with organic acids and plant derived surfactants for the effective removal of limescale, surface staining and water marks, leaving urinals and toilets clean, shiny and free of scale.

Cleaner

- Excellent scale removal and long lasting cling
- Removes bodyfats and soiling
- Does not sediment salts
- Disinfects
- Long lasting deodorising perfume

Leaner

- Excellent material compatibility (does not degrade seals)
- Available in 1L
- Safe on all washroom surfaces
- Reduced hazard compared to traditional products

Greener

- Carbon neutral
- Naturally derived ingredients
- Not tested on animals
- 100% PCR – no single use plastic
- 100% Biodegradable

Eco Daily Toilet Cleaner

Use Instructions

Apply evenly under the toilet rim or around the urinal bowl. Allow up to 5 minutes contact time before brushing and flushing the toilet or urinal.

Product Compatibility

Effective for powerful descaling of tough limescale from washroom fixtures such as sinks, basins, baths, toilet bowls, urinals, taps, showers, tiles and floors. Avoid use on marble or natural stone.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.
